Separation: The crux of this system of things

“Nothing shall separate you from the love of God which is in Christ Jesus”. The triumph of God over the devil is His reunification with us by Christ Jesus. We were separated from God when Adam disobeyed God and gave the devil access to this world. His disobedience caused us to be separated from God; this is what death is; separation of the body from the spirit. God is spirit, He breathed His spirit in the man that He formed out of the dust and man became a living soul and when His spirit is departed from man death occurs. Separation from God brought death into our world but life comeback to us

through Jesus Christ. This is why Jesus said that *“I am the resurrection and the life”*. Resurrected means that He brought the body back to life. Death must occur because of our sinful nature. Sinful nature means that the human body allies itself to the devil more than to God the Spirit that gives it life. The sinful nature of man means that the human body is now predisposed to follow the devil more than to follow the spirit of God. The natural disposition of the human body is to follow its own satisfaction rather than doing the will of God. In order to change that we must be deliberate, willfully in choose to follow Christ, follow the word of God.

Separation

Separation is the crown achievement of this system of things. The system of things that is running this world is based on separation; it is the crux that makes this system works. When Adam disobeyed God and gave the devil access to this world, the consequences of his disobedience caused him to be separated from God. It is on that separation that this system of things is based on. Man is continually consuming the fruit of his separation from God, repeating the original sin everyday. Sin separated man from God and man lost contact with the Spirit of God and began to worship nature as his god. The devil depends on our separation from God to maintain this system of things, this is the reason why he instigates, tempts us and accuses us before

God. Our separation from God gives him control over us. The crown of his achievements happened when he attempted to incarnate his nature in humanity, first with the Jim Crow laws in America, then Apartheid in South Africa and finally in Germany with the Nazi. The deliberate effort to establish a superior race based on the premise that whiteness is perfection and enlightenment, the true measure of human attainment. They wanted to bypass God as the ultimate of life. **“Therefore be ye as perfect as thy father in heaven”**, Jesus said for us to be perfect as God is perfect and not as white as snow. What made slavery such a terror was the degradation, the negation, the deliberate effort to negate blacks, cut them off out of the possibilities of this world. God has been busy working until now trying to re-unite Himself with man. Jesus said that: **“Until now, Me and My father have been busy working”**; working doing what, reconciling the world to Himself through Jesus Christ; the world that was separated from Him. Jesus Christ is reuniting man with the Spirit of God. Jesus Christ is spiritualizing man, making man aware once more of his spiritual nature. For a long time man had lost contact with the spirit, he was leaning more toward the body than the spirit. His nature was no longer spiritual but carnal. Jesus came to spiritualize man once more, reuniting him with His maker, making him closer to God. **“God is spirit, therefore be ye as thy father in heaven”**, as spiritual as God is. The true measure of life is perfection, the closer we are to our true nature, the more perfect we become.

Jesus is the antidote against this system of things; He came to undo what the devil has done, reuniting us with God. No angel, no power or principality can separate us from the love of God which is in Christ Jesus. This is the antidote against separation, against this system of things. God has been busy working; trying to unite Himself to man that was separated from him when Adam opened the door for the devil to come into this world. Adam disobedience gave the devil access to this world. **“The day you eat of the tree that is in the midst of the garden, you shall surely die”**. Death is the result of separation of the body from the spirit. **“It is the spirit that gives life”**. When the spirit of God is departed from man, death occurs. Jesus came to reunite us with God. **“I come so that you may have life and have it more abundantly”**. Jesus is the path to the spirit. **I am the way and the life, the life and the light**. **“Apart from Me, you have no life in you”**. If you are not connected with the life force, you have no life in you. Jesus is our connection to the life force, to God; **God is spirit**. John said: **“After me shall come one who will baptize you with spirit and fire”**. Jesus job is to spiritualize you once more so that God can reunite with you. **“With is whinoring fan He shall separate the wheat from the chaff, but the chaff, He will burn with unquenchable fire”**. He will separate your spirit from those things that keep your awareness bound to the flesh.

The Crux of this System

The crux of this system of things, the one thing that makes this system effective is separation. Everything that God says or does has a purpose. There is always a reason why God says to do and not to do, even when we don't understand the reason. God told Adam not to eat of the fruit that is in the midst of the garden, because the day you eat of it you shall surely die. Death is the consequence, but the cause of death is separation. When the spirit is separated from the body, death occurs. Death therefore is a state of separation. Eating of the tree gave the devil access to Adam's world which in turn caused God to separate from him; it is that separation that is the cause of death.

What is wrong with this system of things; why Jesus came to destroy it?

First because this system of thing is in enmity with God; it separates us from God. If you are on the right side of this system of things; you will not know how terrible it is.; you are affirmed. God did a marvelous thing for us; no matter what reason this system may use to deny you, justify its actions toward you; Jesus paid the price for us all. There is no justification that the devil can use on us in any form to serve this system of things. Rather that you are ascending to God or descending from God; in Christ we are one. God's love affirms us; there is no rejection, no negation in Christ.

There is no separation in Christ; nothing shall separate us from the love of God which is in Christ Jesus. He paid the price for us all. There is nothing that this system of things can use to separate us from God. This system of things can only use us if we are apart from God. Blacks were negated, cut off and cut out of the possibilities of this world because it served well this system of things that blacks are lagging. Without that there are no disparities between blacks and whites, no differences to resort between them.

Simple Solution to a Complex Problem

If you are short of your possibilities in this world; if you are cut off out of the possibilities of this world; know that there is a God that loves you? It is the awareness of God's love for you, knowing how much God loves you that give you the confidence and the boldness to claim your right to partake in the abundance of this world. Jesus came to give you life and give it to you more abundantly; you must know that and claim it your own. The earth belongs to the righteous; you are the righteousness of God through Christ Jesus, there is no Negation in Christ; Black is beautiful and so are the other colors that make up the human color spectrum.
